Appellees do not object to the request for expedited consideration of this matter. However, Appellees request that simultaneous briefs be filed on September 19, 2006 with neither party being permitted a reply. This matter has been fully briefed in court below and any additional time for reply brief would be superfluous.

While the trial court correctly decided the issue below, Appellees have several statutory and administrative obligations that must be complied with to be ready for voting on October 3, 2006 and finality of this matter is in the interest of all parties.

Respectfully Submitted,
